By putting your redeemable bottles and cans in a *Clynk* bag (supplied by the library), you are raising money to help us purchase items for our library and recycling too. A “win, win”. *Earth Day* is April 22<sup>nd</sup>, this is a great way to help keep our roads clear of empty bottle and cans.

Bags and labels are available at the library ([Livingston.lib.ny.us](http://Livingston.lib.ny.us)). Once full, simply tie it and drop off at your local *Hannaford* Supermarket.
