What is a Lot Line Adjustment?

A lot line adjustment is the realignment of property lines between two or more existing adjacent parcels, where the land taken from one parcel is added to the adjacent parcel, and where no new lots are created. **A lot line adjustment is reviewed and approved by the Town of Livingston Planning Board.**

Instructions for Filing

Please complete the attached application and return it, in person, to the Town of Livingston Code Enforcement Officer, along with the following items:
(incomplete applications will not be accepted).

1. Two (2) originals and five (5) copies of the following:
(Prepared by NYS Licensed Land Surveyor or Civil Engineer authorized to practice land surveying pursuant to the State Education Law)
 - **Plot Plan:** A survey map indicating the existing lot lines as well as the proposed adjusted lot line on a scale no smaller than one inch equaling 100 feet. If more than one sheet is needed, a key map showing all subject parcels is required. The plan shall be on a minimum of 11x17 inch paper. The plot plan should state, lot line adjustment for (insert name of owner or suitable title).
 - **Recorded Deed(s):** Copies of the latest recorded deeds to the properties in their current configuration.
2. A completed application form with the owners' names or a notarized letter of authorization from the property owner.
3. The application fee of \$50.00 payable to The Town of Livingston.
